1 Introduction & background

1.1 Introduction

This is the eighth annual report to the Creditors of FAI Insurances Limited - in liquidation and subject to Schemes of Arrangement (“FAI”).

The report has been prepared in accordance with clause 43.2 of the Scheme of Arrangement, which became operative in Australia on 30 May 2006. Under the terms of the clause: “Within three months after each anniversary of the date, being either 31 December or 30 June, at the discretion of the Scheme Administrators, after The Australian Scheme becomes effective, the Scheme Administrators shall report to the Scheme Creditors on the progress of The Australian Scheme, including details of remuneration paid to the Office Holders, since the date of the last such report”. Accordingly this report has been prepared for the period to 30 June 2014. It also covers any significant events between that date and completion of the report.

An annual report has also been prepared by the Scheme Administrators of the UK Scheme of Arrangement for FAI. This will be published on the HIH website as a supplement to the Australian annual report for this company.

1.2 Background

HIH Insurance Limited and certain of its major subsidiaries were placed into Provisional Liquidation on 15 March 2001, and subsequently into liquidation on 27 August 2001. In total, eighty-two HIH Group companies in Australia have been placed into liquidation.

Summary details of the history of the group; its failure; and background information are available on the HIH website at www.hih.com.au. Extensive information on the failure of the group, including the final report of the HIH Royal Commission established by the Australian Federal Government, is available on the website www.hihroyalcom.gov.au

Schemes of Arrangement for the eight licensed insurance companies in the HIH Group in Australia became effective on 30 May 2006, following approval by Creditors and the Court. Schemes of Arrangement for the UK branches of four of these companies became effective in the UK on 13 June 2006. Each of the Schemes has a Record Date (the date at which liabilities are measured) of 27 August 2001. The earliest estimation date permissible under the terms of the Schemes was 31 May 2011.

In light of the progress made in the administration of the “Run-off” phase of the Schemes, the estimation date at which all outstanding claims are valued, was set at 31 May 2013. The bar date for submission of Final Claims Forms by the Scheme Creditors against the eight licensed insurance companies in the HIH Group was set at midnight British Summer Time on 2 September 2013. Under the terms of the Schemes, no further claims will be accepted after this date.

The Schemes are currently in the “Estimation” phase where the claims received are being determined to be Acknowledged Creditor Claims.

2 Principal developments to report during the period

The principal developments to report during the period were:

- + Agreement of Scheme Payment Percentages by the Scheme Creditor Committee, which now total as follows:

	Creditors with insurance liabilities in Australia	Creditors with insurance liabilities outside of Australia	Creditors with non insurance liabilities in Australia	All other creditors worldwide
FAI	55.0%	7.0%	10.0%	n/a

More detail on Scheme Payments and the estimated ultimate Scheme Payment Percentage for FAI is included in section 3 of this report.

- + All claims lodged against FAI prior to the bar date have been determined. The Scheme Administrators are currently reviewing the classification of a number of insurance creditors to ensure their correct eligibility to prove for Scheme Payments under the different funds.
- + To date, the liquidations of 53 HIH Group subsidiary companies have been finalised with the liquidation of one further company expected to be completed by October 2014. Thereafter, the remaining HIH Group Australian subsidiary liquidations will total 28 of which 10 companies are within the FAI group.

3 Current and projected Scheme Payment Percentages

3.1 The current Scheme Payment Percentage

The current Scheme Payment Percentages for FAIL are:

Creditors with insurance liabilities in Australia	55.0%
Creditors with insurance liabilities outside of Australia	7.0%
Creditors with non insurance liabilities in Australia	10.0%
All other creditors worldwide	n/a

3.2 Projected further Scheme Payments

Whilst the claims of all insurance creditors have now been agreed, the Scheme Administrators are reviewing the classification of a number of insurance creditors to ensure their correct eligibility to prove for Scheme Payments from the different funds.

The Scheme Administrators are also reviewing the available funds and level of claims and hope to be in a position to pay a further interim Scheme Payment to all classes of creditors with agreed claims before the end of 2014.

3.3 Scheme Payments for reinsurance creditors

As explained in previous annual reports, the Scheme Administrators are willing to consider making Scheme Payments to reinsurance creditors with Acknowledged Creditor Claims before all potential set off has been finalised, provided the creditor is willing to give an undertaking to refund any amounts which subsequently prove to have been overpaid.

3.4 Estimated ultimate Scheme Payment Percentage

The Scheme Administrators' current best estimate of the ultimate Scheme Payment Percentages for FAIL as at 30 June 2014 is shown below. As virtually all of the company's forecast reinsurance and other asset recoveries have now been received, the major determinant of any movement in the forecast total Scheme Payment Percentage is the level of final agreed claims.

While the bar date for receipt of final claims has now passed, it is too early at the date of preparation of this report to provide a more accurate update on the final Scheme Payment Percentage estimates.

Scheme Company	Total Scheme Payment Percentage at Scheme date	Total Scheme Payment Percentage at 30 June 2013	Updated Total Scheme Payment Percentage at 30 June 2014
FAIL	Less than 5%	1% - 10%	11% - 71%

The estimated Scheme Payment range can be further analysed across the various creditor groups as follows:

	Range of estimated Scheme Payment Percentages 30 June 2014
Creditors with insurance liabilities in Australia	69% - 71%
Creditors with insurance liabilities outside of Australia	11% - 13%
Creditors with non insurance liabilities in Australia	11% - 12%

FAI is part of a guarantee group comprising three subsidiaries within the HIH Group. Membership of the guarantee group has had the effect of pooling the assets and liabilities of the three HIH companies making up the group.

The other members of the cross guarantee group are:

- FAI Leasing Finance Pty Limited
- FAI Home Security Holdings Pty Limited.

4 Interaction between Australian and English Schemes

4.1 Claims under the Australian and English Schemes

All creditors worldwide are entitled to claim in both the Australian and English Schemes for FAIL. The Australian and English Scheme Administrators co-operate fully. Claims lodged in one jurisdiction become effective under both Schemes.

The Australian and English Scheme Administrators, and the respective run-off managers, operate a unified principal to principal ledger system and a unified distribution payment system.

The entitlements of individual creditors under both Schemes are automatically calculated, and when a Scheme Payment is made, the creditor receives a statement showing how their liability has been classed, and from which classes of assets their distribution has been paid.

Both the Australian and English Schemes contain a “hotchpot” clause. The effect of the hotchpot clause is to prevent a creditor who has already been paid a distribution under one of the schemes, from receiving further payments under the other scheme until such time as all other creditors with similarly ranked claims have received an equal proportionate distribution.

4.2 Distribution Priorities

The English Scheme is designed to complement the Australian Scheme. Following receipt of the House of Lords judgement the English Scheme has adopted all of the provisions of the Australian Scheme, including the Australian distribution priorities, which will now apply to the English Assets.

5 Financial position

5.1 Estimated balance sheet at 30 June 2014

Included as Appendix 3 to the Australian Explanatory Statement section of the Scheme of Arrangement documentation, which was sent to creditors prior to the creditors' meeting on 29 March 2006, were balance sheets for each of the Scheme companies at 25 September 2005. An updated balance sheet for FAIL as at 30 June 2014, is included as Appendix 1 to this report.

FAIL together with 2 subsidiary companies, FAI Leasing Finance and FAI Home Security Holdings are part of a guarantee group. Membership of the guarantee group has the effect of pooling the group companies' assets and liabilities. As such, work has continued to be undertaken during the period to realise the assets and agree the claims of the other members of the cross guarantee group.

5.2 Receipts and payments to 30 June 2014

A summary of the Scheme Administrators' receipts and payments from the commencement of the Scheme on 30 May 2006 to 30 June 2014 is set out in Appendix 2 to this report.

Since the last annual report dated 30 June 2013, \$37,189.00 has been approved by the FAIL Scheme Creditors' Committee, and paid to the Scheme Administrators in their role as Office Holders.

6 Closure

6.1 Estimation Period

The FAIL Schemes are currently in the “Estimation” phase where the claims received prior to the Schemes cut-off date are being determined to be Acknowledged Creditor Claims.

Under the terms of the Schemes, creditors will only be entitled to have their claims determined to be Acknowledged Creditor Claims if:

- + prior to the Estimation Date of 31 May 2013, the creditors’ claims have already been determined to be an Acknowledged Creditor Claim. Creditors whose existing claims have been agreed by the Scheme Administrators would have received a notice from the Scheme Administrators in early 2013 confirming their Acknowledged Creditor Claims;
- + a final claim form for Estimation was completed and returned to the Scheme companies by 2 September 2013 (the Scheme cut-off date); or
- + prior to the Estimation Date, the creditor commenced a proceeding in relation to their claim in accordance with the terms of the Scheme which has not been determined by the Estimation Date.

Whilst the claims of all insurance creditors have now been agreed, the Scheme Administrators are reviewing the classification of a number of insurance creditors to ensure their correct eligibility to prove for Scheme Payments under the different funds.

6.2 Determination after Estimation Date

Under the terms of the Schemes, the Scheme Administrators shall determine whether the creditors’ claims are Established Scheme Claims within three months of 2 September 2013.

Following their assessment, the Scheme Administrators shall notify the Scheme Creditors in writing of their decision in respect of the claims received.

If, after a period of a further three months from the Scheme Administrators’ written notice of their determination, the Scheme Administrators have not reached an agreement with the Scheme Creditor as to whether any part of the claim gives rise to an Established Scheme Claim, the Scheme Administrators shall refer the creditor’s claim to a Scheme Adjudicator for determination.

6.3 Scheme Claim Adjudication

The Scheme Adjudicators appointed to the FAIL Schemes are as follows:

Scheme Adjudicator	Representing
Mr Tim Andrews (Finity Solutions)	Australian Scheme Administrators
Mr Gary Wells (Milliman)	English Scheme Administrators

The role of the Scheme Adjudicator is principally to determine whether liabilities notified to the Scheme companies by a potential creditor under the estimation process, and referred to the Scheme Adjudicator by the Scheme Administrator, should be accepted as Established Scheme Claims. The Scheme Adjudicator must also determine the value of such claims.

The creditors’ claims which were referred to the Scheme Adjudicators have all been determined.

7 Responsibilities

7.1 Scheme Administrators

The Australian Scheme Administrators are Tony McGrath and Chris Honey, partners of McGrathNicol, based in Sydney. The English Scheme Administrators of FAI are Michael Walker and Barry Gale, partner and director respectively of KPMG LLP based in London.

The Committee sanctions significant transactions (such as commutations), is involved in the setting of the Scheme Payment Percentage, and approves the Scheme Administrators' fees. It is reported to, and meets as required, usually at least once a year. The current constitution of the Committee is as follows:
